Krizelda is an internationally published Equine photographer but also works in the fields of child, pet, automotive and human photography.

Having grown up with animals her whole life and studied veterinary nursing before submerging herself into photography she understands their reactions and anxiety and always takes great care to keep them comfortable and safe while creating lasting memories for their owners. Krizelda also ran a riding center for several years and has developed the patience needed to work with young kids.

Safety is of utmost importance when it comes to photographing your animals and children and Krizelda always shoots while keeping this in mind as a priority.

Based in Vereeniging but she travels to her clients, the majority being in Midrand/PTA and Potch but she also makes 2 KZN trips per vear.

Krizelda does natural light and flash light (where needed)
onsite photography and travels to her clients.
As a versatile photographer she will go the extra mile in order
to preserve your precious memories.

She studied photography through JASP and regularly has mentoring sessions with her peers as one is never too old to learn from those who lead us Krizelda has learned to see in light and dream in color.

> "If you think photography is not important, wait until photos are all you have left" ~ Krizelda Carelse Photography
